

**First Grade Newsletter**  
**February 6th – February 10th**

**Religion-** During religion, the children we will learn that Jesus' words and actions teach us how to love and serve God and others. Students will understand that to serve is to help others in a loving way with what they need.

**Shared Reading-** This week we will be celebrating "Black History Month." Students will be learning about Rosa Parks, Wilma Rudolph, Ruby Bridges and Harriet Tubman. The students will be gathering information on these women and write a report about their unique talents, hard work and creativity that have played an important role in our nation's history.

**Math-** This week the first graders will begin learning about money and the various coins. They will complete an 8-page book about money and they will learn to show an amount of money two different ways. The students will be focusing on the penny, nickel and dime. Please keep working on the daily math facts program we recently started. It's very important that the students have time to study **each** day. The first graders are doing great and are excited to take their tests everyday!

**Spelling-** This week the students will be taking their spelling test over long 'i' words! **Please study these words throughout the week so your child is prepared for their test on Friday morning.** In the Classroom this week the students will be practicing their long 'i' spelling list words and words in the -ight word family (ex: **light, might**).

**Science-Health-** On Monday we will have their review over our *Nutrition Unit* and their test will be on Tuesday. On Wednesday we will have a guest speaker talking to the students about the food pyramid and healthy foods to complete our Nutrition Unit.

**Monday-** Recess duty ()

**Tuesday-** SCRIP Athletic Wear, Recess duty ()
