FYI

- Positive Behavior Supports is being implemented at St. Francis. We have been working on and reviewing the expectations in all areas of our school. We had our first reward cart visit today!
- Your child will be bringing home a current event poster sometime during the first trimester. They will have a week to work on the poster before presenting it to the class.
- Check out links at the bottom of the fourth grade webpage for fun ways to study math and social studies. Start working on those states & capitals!
