### FYI

- Thank you for attending your child's conference. It is comforting to know we are a team working together to help the child grow.
- The Southeast Region test will be on Friday, March 5th. It will cover the SE state locations, capitals, and abbreviations. The other part will cover the SE region content we read & took notes on. Hopefully, your child has started to study!
- Students will be taking a test over long division and problem solving on Thursday, March 4th. Keep practicing those facts, which will help with the process!
- Just a reminder that book contracts are due at the end of March!
