FYI

- Students need to read at least three books for their October book contract due on Friday, Oct. 30th. At least one needs to be a mystery, one an AR, and then a choice. Students have signed up for different dates to present their mystery book project, which should be in their planners.
- On the October calendar, it states that the 4th grade will be doing something with the Science Center. The SCI will be coming to St. Francis and doing a presentation on rocks and minerals, so there will not be a permission slip coming home.
- Mrs. McLuen's class Mass is on Friday, October 30th.
- Your child will be bringing home a current event poster sometime during the first trimester. They will have a week to work on the poster before presenting it to the class.
