### FYI

- The Winn-Dixie play will be on Wednesday, Nov. 11th at 12:45 pm. This is an early dismissal day, so students will present the play and then get out of school at 1:30. We are looking forward to showcasing all of the talent in 4th grade at the play.
- The science test covering rocks and minerals is scheduled for Monday, Nov. 16th. If all the material doesn't get covered & reviewed with the play, we will push it back until Tuesday. Students should start bringing home their notebooks to study from in the middle of next week.
- In math, we will be starting multiplication and division. The students need to start reviewing their basic facts!
- Your child will be bringing home a current event poster sometime during the first trimester. They will have a week to work on the poster before presenting it to the class.
