Mrs. McCarthy
Mrs. Doyle

Volume 2, Issue 11

November 13, 2009

Upcoming Events:

- End of 1st Trimester today
- Mission Jeans Day on Thursday, Nov. 19th
- Progress Reports sent home on Tuesday, Nov. 24th
- No School Nov. 25 — 27
- Advent begins on Sunday, Nov. 29th

FYI

- The science test covering rocks and minerals has been moved back to Wednesday, November 18th. A study guide will be coming home today, unless your child left early. They may also be using their science notebooks and books to help them study. We will cover the rock cycle more in depth at the beginning of the week to finish out the unit and allow them to complete the rest of the study guide.
- In math, we have started multiplication, so the students need to keep reviewing their basic facts!
- The end of the first trimester is today. Starting Monday, all students have a clean slate with regards to late slips.
- Your child will be bringing home a current event poster sometime during the first trimester. They will have a week to work on the poster before presenting it to the class.
