FYI

- **FREE JEANS DAY** on Monday, February 6th! The judges couldn't pick just one winner for the CSW door contest, so the whole school is getting a free jeans day.
- The science test over the muscular & skeletal systems will be next week. Your child should be studying content with power notes, as well as being able to name the bones.
- We just started working on long division. The students are doing a wonderful job. However, if your child seems frustrated, don't panic because we will continue to work on it.
- We had book talks with Mrs. Head today. The genres for February & March combined will be science fiction and fantasy.
