RELIGION

We are still enjoying reading all of the "Good Deeds" that are coming from home. Keep them coming!

This week we have taken time to learn about the Holy Spirit. The trinity was introduced to the kindergartners. We had a quiet prayer in our "Heart Rooms" this week to understand that God is three in one. We compared it to our dads. Though they may have different jobs (a dad, an employee, etc), he is still one person. This is a big concept to wrap our heads around, but we are reminded of it when we make the sign of the cross.

LANGUAGE ARTS

It was a fun-filled week of Dr. Seuss. As you may have heard, we celebrated Dr. Seuss' birthday on Tuesday. We had some fun activities and responded to his stories in varieties of ways. We also started to talk about SPRING. And surprisingly enough, it started to look like spring was around the corner this week. We read a fun story called The Wind Blew and thought of silly things that could blow through the wind.

Check out the work we put up in our classroom next time you're here!

Next week we will be integrating some fun St. Patrick's Day activities to prepare for the holiday. Look forward to hearing about all of the shenanigans happening at school.

MATH

We continue to work with adding numbers. This week we have looked at adding numbers up to ten. We played a fun addition game using dice. We would roll the dice, add it on to the given number, and find the sum. Ask your child to teach you this simple game at home this weekend.

SOCIAL STUDIES

We began the unit "Our World" through looking at our street and neighborhood. We have learned that our community is within our state of Iowa. Next week we will be exploring maps as tools.
