

Saint Francis of Assisi School Support Request Committee

Saint Francis of Assisi School is blessed to have so many charitable and generous parishioners, students and staff who continue to volunteer and support a wide variety of causes. We have witnessed how this generosity has truly benefited individuals in need throughout our community. It is important for us to continue our support to as many groups and individuals as we can.

As our parish and school has grown, so have the number of requests for support. The requests vary and include monetary donation requests, recruitment for volunteers, and requests for student service participation, just to name a few. Unfortunately we are not able to fulfill every request we receive.

In order to ensure that we can fulfill the requests from many of the causes we have in the past and evaluate the many new requests we get each month, the School has put in place a review and selection process.

You or your group may have received support in past years. If so, we want to ensure that you have the same opportunity in the future. Please take a moment to complete and submit the support request form available at www.saintfrancisschool.org under the forms section located on the Home page of the website. The form is also available at the school office. If you have a new request, we ask that you fill out the same form and submit it to the school office.

The school will evaluate all requests as submitted. You will be contacted shortly thereafter.

Thank you for accommodating this request process so we can ensure that the charitable resources of our students, staff and school can benefit those groups or individuals with the highest level of need.
