

Please

BEE a Mentor!!

- Needed:** Individuals willing to contact (and welcome!) families new to St. Francis School. These families typically have an incoming kindergartener, but may have an older child who is new to St. Francis.
- Commitment:** Volunteers are asked to phone the family they are paired with at least two times – once after Kindergarten Visitation Day, and once before the start of the new school year. Volunteers can certainly call their “mentor family” more often if desired, but we only ask that they call twice. The purpose of the calls is to welcome the family, and answer any questions they might have. Typical questions involve the dress code, drop off/pick up procedures, use of scrip, and “jeans day” clarifications.
- Please call:** Cheryl Mahoney at 457-7353 **by Friday, April 15th** to volunteer for this very important project!

Thank you and “hive” a good day!
